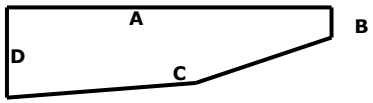
the longest established
model sailmakers in the UK

continuation/overflow sheet.

Section no.	Part no.	Description	Qty	Price each	£	p
				add postage		
				total £		

Please check your addition! Thank you.

Rig bags - see drawing below—for One Metres are "standard" - but for all other designs, M-class, 36 inch & Ten Raters we need to know the size of bag required to suit your rigs. Please fill in below the dimensions required. Check your measurements, any error cannot be corrected once the bag is made! A is the length; C is the width at the "halfway bulge" and D is the velcro opening end. We will make the bag approx 50mm larger in width and length to accommodate the stitching.



Please use this box to note down any other information.
If you are enclosing a letter with this order please write YES here.

Sail check list box.

Please note the following here -

1. sail sizes, patterns or design name—which?
2. type of sailcloth, Dacron, scrim, or film (or cotton)
3. do you require the sails making in panels? Yes/no
4. any other extras, such as, if in Dacron do you require sails in a colour?
5. mainsail luff type—i.e. cord etc.
6. if its in scrim is there a patching colour (from our range) you prefer for the corners?
7. any other information you should tell us that is useful for making.

NYLET USE ONLY.
