continuation/overflow sheet.

Large table for continuation/overflow sheet with columns: Section no., Part no., Description, Qty, Price each, £, p. Includes a section for adding postage.

Please check your addition! Thank you.

Rig bags - see drawing below—for One Metres are "standard" - but for all other designs, M-class, 36 inch & Ten Raters we need to know the size of bag required to suit your rigs. Please fill in below the dimensions required. Check your measurements, any error cannot be corrected once the bag is made! A is the length; C is the width at the "halfway bulge" and D is the velcro opening end. We will make the bag approx 50mm larger in width and length to accommodate the stitching.

Please use this box to note down any other information. If you are enclosing a letter with this order please write YES here.

Sail check list box.

- Please note the following here -
1. sail sizes, patterns or design name—which?
2. type of sailcloth, Dacron, scrim, or film (or cotton)
3. do you require the sails making in panels? Yes/no
4. any other extras, such as, if in Dacron do you require sails in a colour?
5. mainsail luff type—i.e. cord etc.
6. if its in scrim is there a patching colour (from our range) you prefer for the corners?
7. any other information you should tell us that is useful for making.

## HOW TO MAKE YOUR ORDER and PAYMENT (UK & ABROAD).

You may phone, or e-mail your order, or send the Nylet order form by post. Ensure you note your full address, with postcode, and telephone number, in all correspondence. Please ask if you require any help making out your order.

Wherever you are in the world simply email your order and ask to pay using PAY PAL. We work out the total cost and pay pal will send you the request to pay, thus saving you any hassle. We add £2 or 3.5% (whichever is the greater) to all orders paid using the pay pal facility.

OR you may pay by - personal cheque, Bank or Building Society cheque or Draft, British Postal Order. All cheques must be drawn on a UK Bank and must be expressed in Sterling.

**LIMITED CHEQUES.** If unsure of the exact total you may make out your cheque estimating the amount but leaving the figures blank and making out your cheque in words "not more than XX pounds." We will fill in the precise amount. Deposits are not accepted (except by prior arrangement).

**MAKING OUT YOUR CHEQUE.** All cheques should be made out to 'F.Parsons', NOT Nylet. Sorry, credit card facility is NOT available.

**Postage rates.** We have simplified and reduced the number of "tariffs" - and we hope it is easier to follow than previous issues. Postage varies with the value of the goods, but certain items, such as 2 metre tubing, have their own rates. We have so many dissimilar products, and weights vary so widely it isn't easy to apply just one or two rates. Please ask if you wish us to help you.

These rates replace all previous issues and come into force with effect from 01/07/10.

Select the service you require from the 3 rates above. UK First class packages (post), and courier/carrier packages (3-5 day & next day) are fully insured (our liability is limited to replacement of goods where lost or damaged). 2nd class packages are uninsured. We may vary carrier at our discretion. If rate not applicable to the entire UK then it will be noted, for instance, as "Mainland England" or "N.Ireland" etc. Some parcels have to be routed via courier due to size restrictions, and rates for distant areas and islands are naturally at varying costs. Please ask for rates to Channel Islands.

Note: 'next day' deliveries are normally made before 1600 hrs. 'Next day' means delivery the day after despatch is effected. Note that goods despatched via "next day" service to Islands and distant areas will take 2 to 3 days.

Please ensure you check that the rate matches the specific goods you are ordering. Underpayment will delay your order.

Pay via pay pal and we work out the postage charge for you.
