

HOW TO MAKE YOUR ORDER and PAYMENT (UK & ABROAD).

You may phone, or e-mail your order, or send the Nylet order form by post. Ensure you note your full address, with postcode, and telephone number, in all correspondence. Please ask if you require any help making out your order.

Wherever you are in the world simply email your order and ask to pay using **PAY PAL**. We work out the total cost and pay pal will send you the request to pay, thus saving you any hassle. We add £2 or 3.75% (whichever is the greater) to all orders paid using the pay pal facility.

OR you may pay by - personal cheque, Bank or Building Society cheque or Draft, British Postal Order.

All cheques must be drawn on a **UK Bank and must be expressed in Sterling.**

LIMITED CHEQUES. If unsure of the exact total you may make out your cheque estimating the amount but leaving the figures blank and making out your cheque in words "not more than XX pounds." We will fill in the precise amount. Deposits are not accepted.

MAKING OUT YOUR CHEQUE. All cheques should be made out to 'F.Parsons', NOT Nylet.

Sorry, credit card facility is NOT available. (please use pay pal)

Postage rates. We have simplified and reduced the number of "tariffs" - and we hope it is easier to follow than previous issues. Postage varies with the value of the goods, but certain items, such as 2 metre tubing, and sail RIGS, have their own rates. We have so many dissimilar products, and weights vary so widely it isn't easy to apply just one or two rates. UK postage starts with a special low rate for Nylet booklets and books, and which includes sail numerals. For Graupner winches, see quick ref rates (UK). Please ask if you wish us to help you locate an economic rate for your order.

We commenced making model sails in the 1930's.

We celebrate 80 years since we commenced making full size sails in Brighton.

1842 - the family firm J.Parsons - 5 generations - 170 years of service.

THE complete sailmaking service including NEW racing sails in racing scrim, film or Dacron, replacement kit sails, also "classic cut" Dacron sails, and racing sail rigs. We also make vintage cotton sails and pond yacht sails in exactly the same way as we did in the 1930's & 40's. Mast & deck fittings, aluminium & c.f. masts, carbon-fibre fins & rudders, Graupner sail winches, IOM yacht kits, books, Nylet "how to" booklets, rig bags, etc.

Additions 10/12/2011

These rates replace all previous issues (amendments and additions 10/12/11). Royal Mail will raise postal charges in April, therefore these rates are NOT valid beyond 4th April, 2012.

Select the service you require from the 3 rates above. UK First class packages (post), and courier/carrier packages (3 day & next day) are fully insured (our liability is limited to replacement of goods where lost or damaged). 2nd class packages are uninsured. We may vary carrier at our discretion. If rate not applicable to the entire UK then it will be noted, for instance, as "Mainland England" or "N.Ireland" etc. Some parcels have to be routed via courier due to size restrictions, and rates for distant areas and islands are naturally at varying costs. Please ask for rates to Channel Islands.

Note: 'next day' deliveries are normally made before 1600 hrs. 'Next day' means delivery the day after despatch is effected. Note that goods despatched via "next day" service to Islands and distant areas will take 2 to 3 days. Destinations abroad have their own rates (lower left).

Paying via pay pal? We automatically apply 1st class postal rates to UK orders (unless we send via carrier/parcel post; i.e. masts etc).

Opt to pay via pay pal and we work out the total cost including the postage charge for you.

Please ensure you check that the rate matches the specific goods you are ordering.
