

## SAIL LIST.

A list of the older class yachts, plus non-class yachts of various ages, of which we keep sizes from which we can make sail suits (note - this list is not a totally comprehensive listing of yachts however). Sails listed in our main price list are not necessarily included here, although some may be.

**The designer and/or manufacturer of some of the yachts are noted in brackets after the name.**

Note asterisk(\*) denotes - usually made with the cloth supplied in kit, which is ready marked up, otherwise templates will be required please.

Note - # denotes templates required please, as sizes may vary depending upon build of actual rig.

### Older class yachts.

#### Ten Rater

Bluefin  
Clipper  
Cochin
